

## Test Monitoring Center

6555 Penn Avenue  
Pittsburgh, PA 15206-4489  
(412) 365-1000

MEMORANDUM: 01-101  
DATE: July 27, 2001  
TO: Ball Rust Test Surveillance Panel  
FROM: Richard E. Grundza  
SUBJECT: Approval of Batch "B" Hardware

As a result of a conference call held on July 26, 2001, Batch "B" Ball specimens have been approved for use. Labs may switch to Batch "B" specimens, once the Batch "A" specimens have been consumed.
