MEMORANDUM: 08-006
DATE: March 14, 2008
TO: D02.B0.07 D874 Mailing List
FROM: Tom Schofield
SUBJECT: D874 Technical Update: Test Method Version Clarification

Please be advised that D874-07 is the current version of ASTM test method D874 (Sulfated Ash from Lubricating Oils and Additives). Effective immediately, the TMC will only accept calibration test data reported with the method-version (METHVER) D874-07. Tests reported with METHVER D874-06 will be evaluated as operationally invalid for using an outdated test method version.

Test method D874-07 is available from ASTM (www.astm.org).
