Joe Franklin put forth a motion to adopt the proposed EOEC Vamac limits as distributed by Mike Birke on October 4<sup>th</sup> 2012. The email read Jan 1, 2006 to August 1, 2006. It should read *Jan 1, 2006 to August 1, 2012*.

Effective today, October 11, 2012, the new EOEC Vamac limits are as follows:

<b>Parameter</b>	<b>Lower Limit</b>	<b>Upper Limit</b>	<b>Mean</b>	<b>Standard Deviation</b>
<b>Volume</b>	16.52	25.46	20.99	1.49
