MEMORANDUM: 19-061  
DATE: November 27, 2019  
TO: D02.B0.07 D5133 GI Mailing List  
FROM: Tom Schofield  
SUBJECT: D5133 GI Technical Update – Updated Test Method D5133-19

A revised version of ASTM Standard Test Method D5133 (Standard Test Method for Low Temperature, Low Shear Rate, Viscosity/Temperature Dependence of Lubricating Oils Using a Temperature-Scanning Technique) is available from ASTM ([www.astm.org](http://www.astm.org)). Effective immediately, version D5133-19 replaces D5133-15. A summary of changes is included in the new test method.
