REPORT PACKET REVISION NOTICE: 1R-20020207

VERSION: 20020207

EFFECTIVE DATE: March 14, 2002

DATE: February 19, 2002

TO: Single Cylinder Diesel Surveillance Panel

FROM: Scott Parke

During the January 24, 2002 1R procedure review several changes were made necessitating revision of the report forms and data dictionary. These changes have been made and are posted to the TMC web site as 1R report package version 20020207. This report package will be in effect for tests reported to the TMC on or after March 14, 2002.
