MEMORANDUM: 01-049
DATE: May 7, 2001
TO: M11 Mailing List
FROM: Jeff Clark
SUBJECT: M11EGR Report Packet

Beta testing has been completed on the M11EGR Test report packet. The 20010328 version goes into effect on June 18, 2001. The report forms, data dictionary, and repeating field specifications are available from the TMC web site at: <ftp://tmc.astm.cmri.cmu.edu/datadict/m11egr/beta> until the effective date. Beginning June 18th, they will be available at: <ftp://tmc.astm.cmri.cmu.edu/datadict/m11egr/current/>. Hardcopy of these items are also available from the TMC upon request.

Please let me know if you need any additional information. I can be reached by phone at 412-365-1032 or by email at jac@tmc.astm.cmri.cmu.edu.
