Attendance - Jeff Clark, Zack Bishop, Jo Martinez, Jim Moritz, Brad Carter, Todd Dvorak, Bob Campbell, Jim Rutherford, Janet Buckingham, Ryan Johnson, Phil Scinto, Mark Cooper, Jim Matasic, Scott Richards, Shawn Whitacre

The primary purpose of the call was to continue the ISM IAS adjustment factor discussion from the August 11 conference call. The attached file contains several possible options, with the proposal labeled as T2 being currently considered the best option. Given that not all parties in the industry were able to attend, the discussion and possible adoption of the proposal has been postponed until a future meeting.
