

Chemical Analysis Comparison

File created on: 6/15/2020

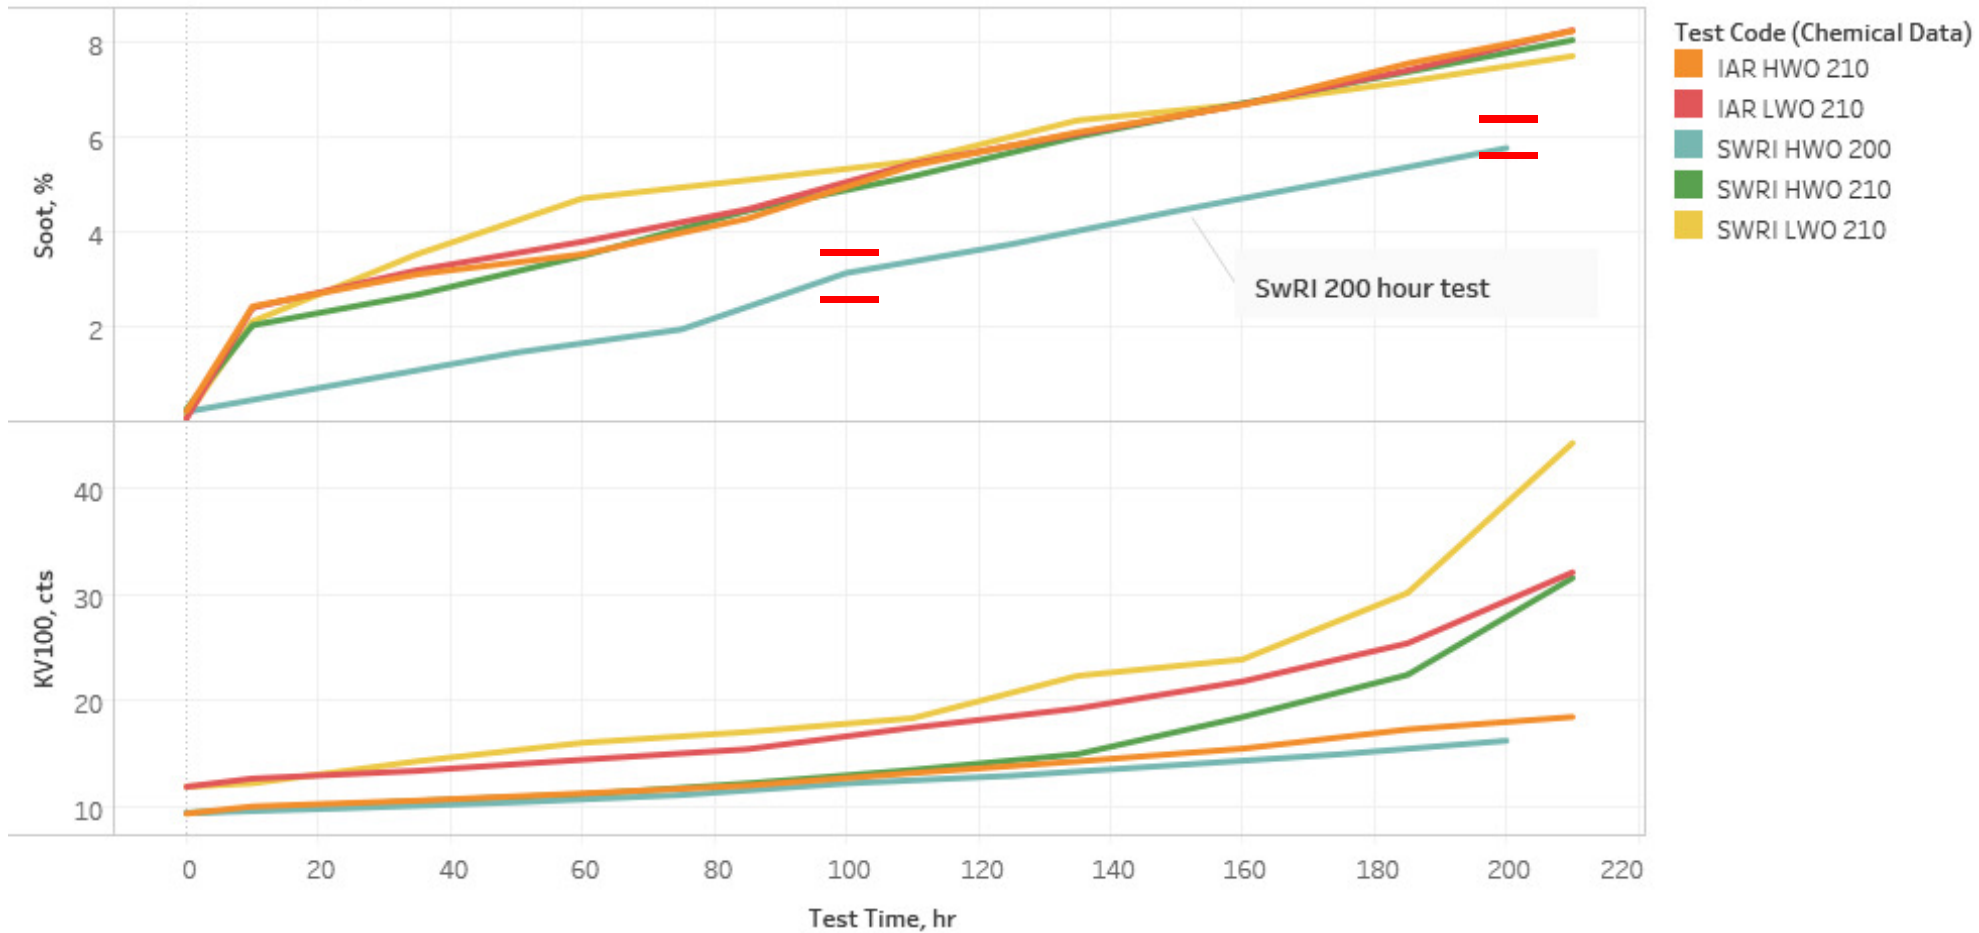

5 Total Tests,

2 Intertek Tests, 210 Hour Version, HWO & LWO

2 SwRI Tests, 210 Hour Version, HWO & LWO

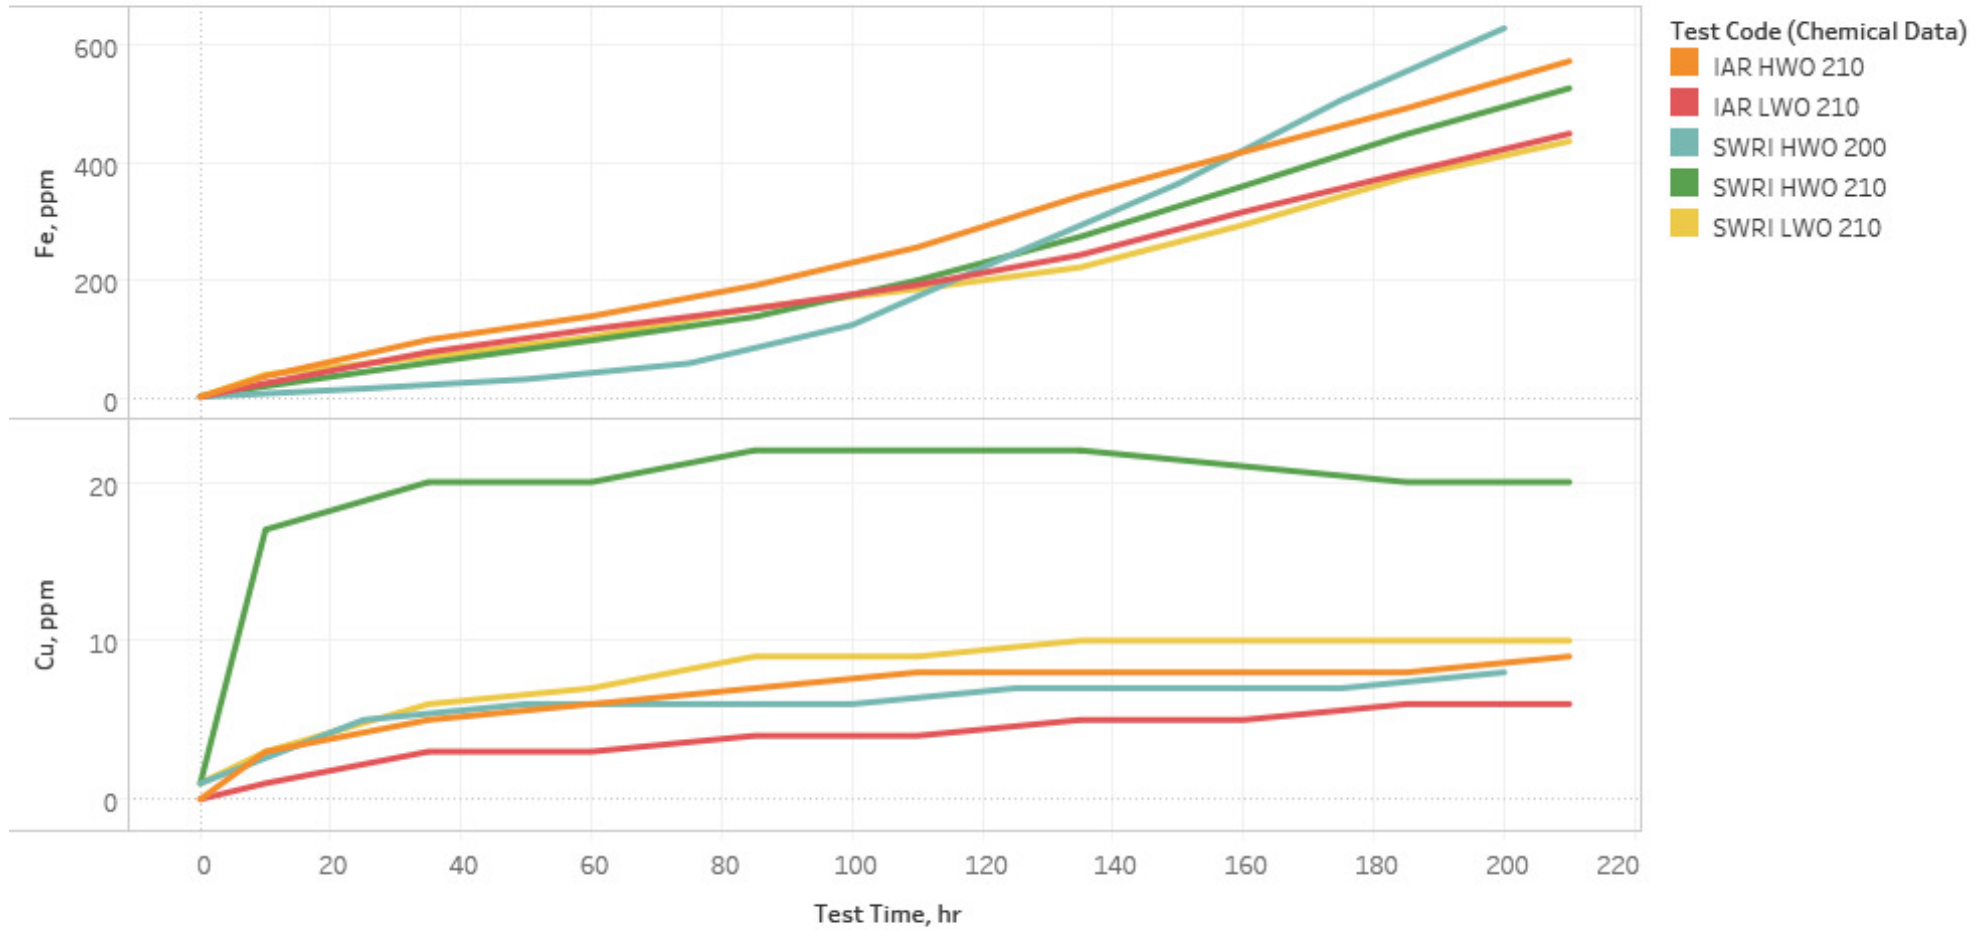

1 SwRI Test, 200 Hour Version, HWO

Soot and Viscosity

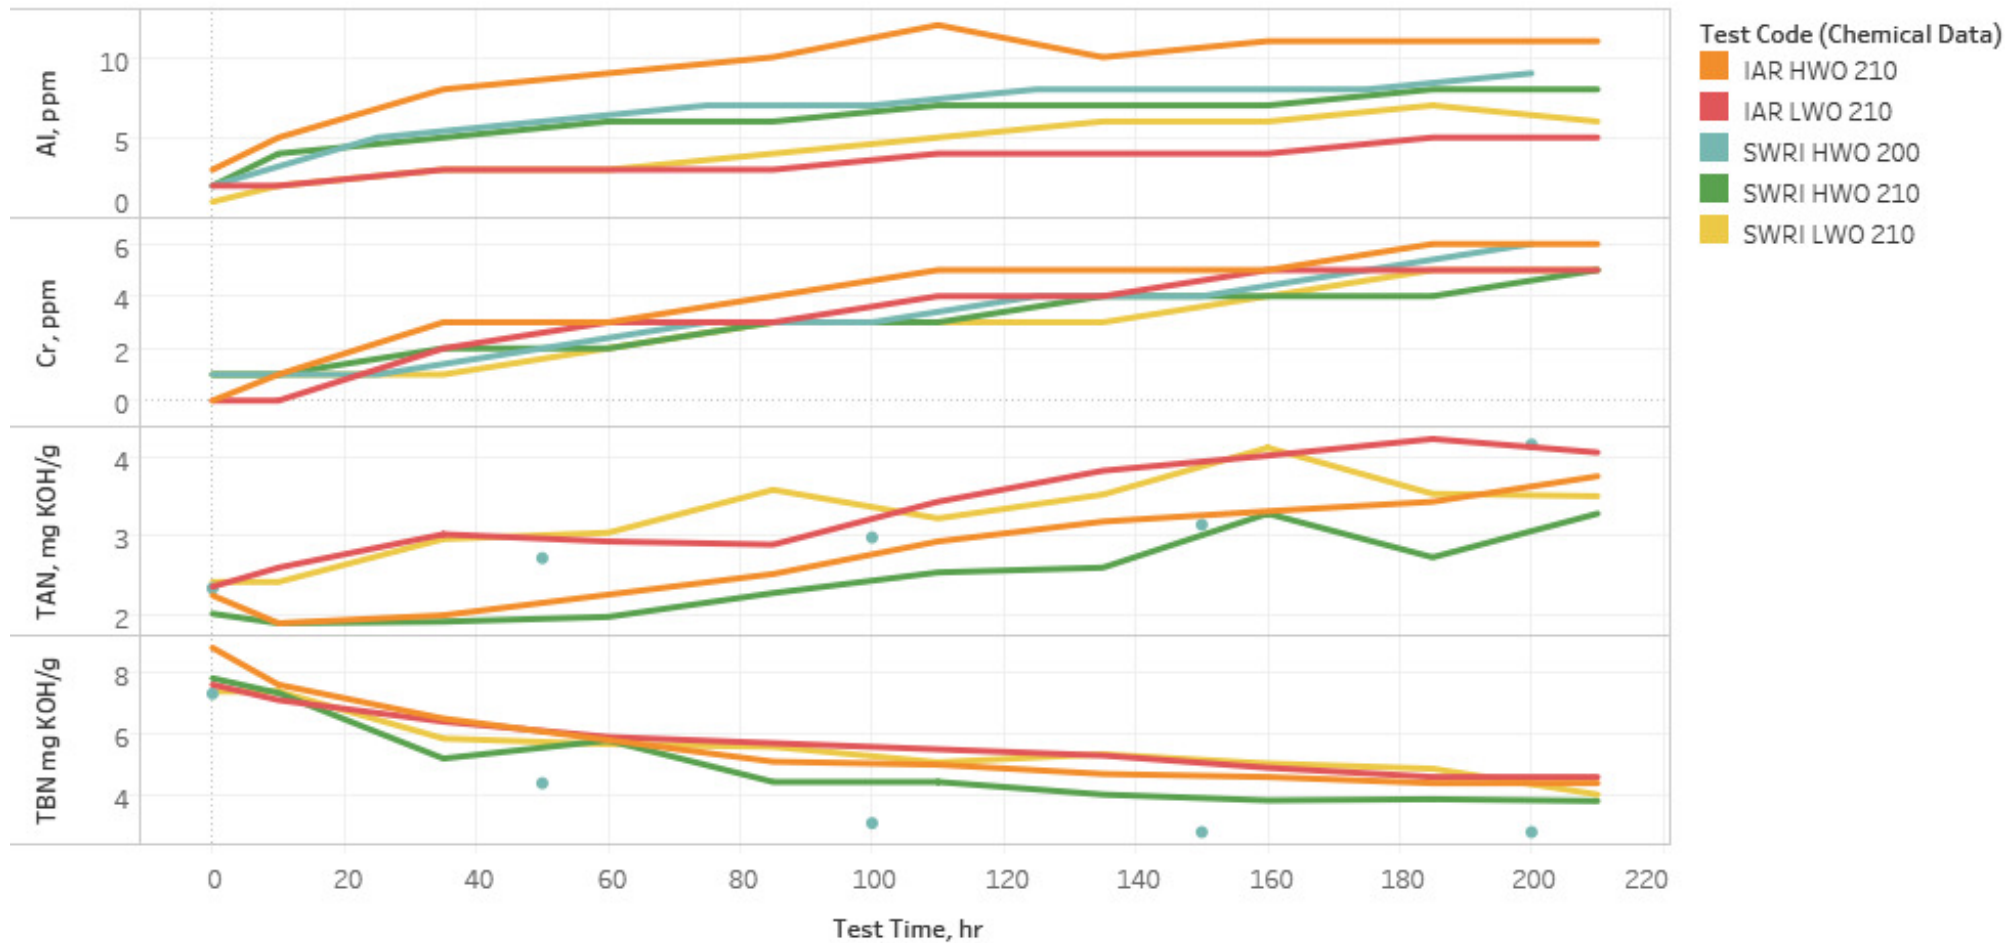

Test Time, hr vs. Soot, % and KV100, cts. Color shows details about Test Code (Chemical Data). The view is filtered on Test Code (Chemical Data), which has multiple members selected.

ICP 1

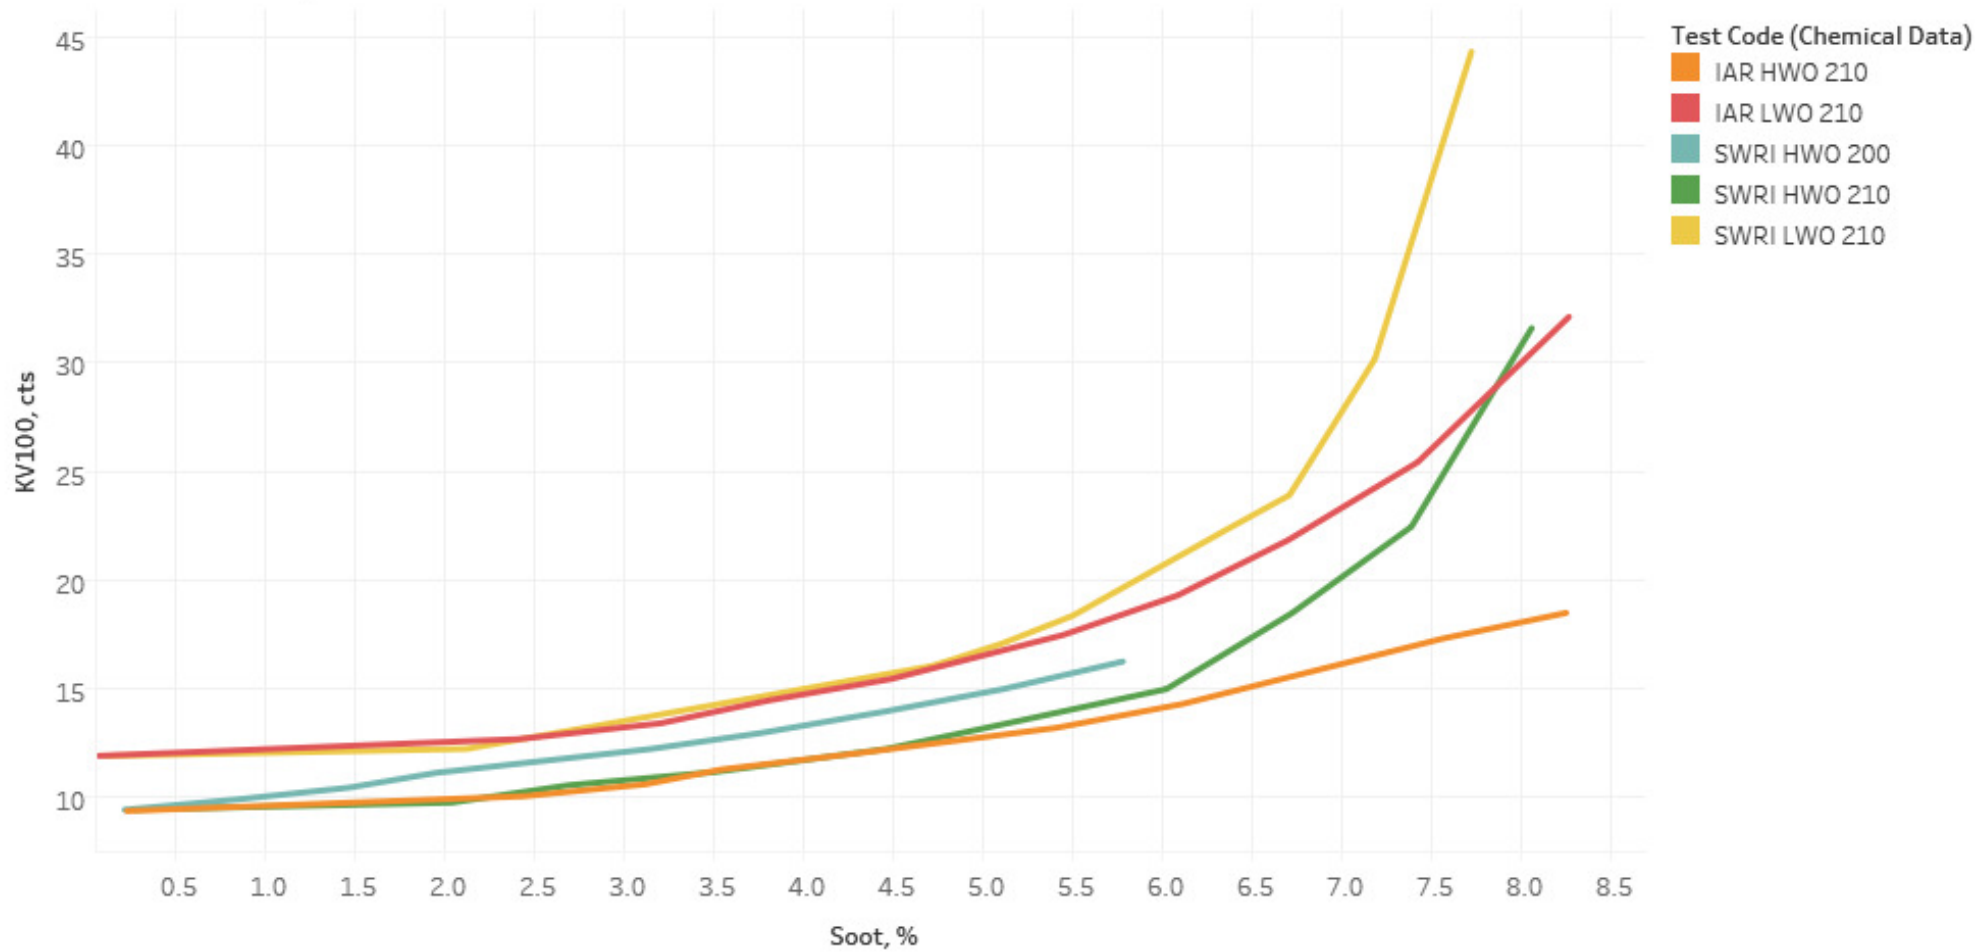

Test Time, hr vs. Fe, ppm and Cu, ppm. Color shows details about Test Code (Chemical Data). The view is filtered on Test Code (Chemical Data), which has multiple members selected.

ICP and Titr

Test Time, hr vs. Al, ppm, Cr, ppm, TAN, mg KOH/g and TBN mg KOH/g. Color shows details about Test Code (Chemical Data). The view is filtered on Test Code (Chemical Data), which has multiple members selected.

Soot vs Viscosity

Soot, % vs. KV100, cts. Color shows details about Test Code (Chemical Data). The view is filtered on Test Code (Chemical Data), which has multiple members selected.
