

PC-10 NCDT Conference Call

October 20, 2005

EMA Request to Add Caterpillar 1P Engine Test to PC-10 Category

- Request was confirmed
- Arguments for and against were heard
- There was no consensus within NCDT
- The issue was put to a vote, according to API 1508, Appendix D guidelines
- The vote was to accept Caterpillar 1N, 1P, and C-13 tests in the category.
- Concerns about the effect on timeline were noted
