REPORT PACKET REVISION NOTICE: T12-20170327

VERSION: 20170327

EFFECTIVE DATE: March 27, 2017

DATE: March 27, 2017

TO: Mack Surveillance Panel

FROM: Sean A. Moyer

A new version of the T12 data dictionary has been released with an emergency change to the data dictionary. Due to an oversight the field and decimal sizes of the HFRR fuel lubricity specification were not changed to fix an error that was found during beta testing. This new version fixes the error completely.

The new Version is 20170327 and is available from the TMC Website. The change is effective immediately. If you have any questions or concerns please contact me.
