REPORT PACKET REVISION NOTICE: T13-20150312

VERSION: 20150312

EFFECTIVE DATE: April 12, 2015

DATE: March 12, 2015

TO: Mack Surveillance Panel

FROM: Sean A. Moyer

A new version of the T13 data dictionary has been released with a minor change to the data dictionary. This change is a result of feedback during beta testing of the previous version that was not incorporated and requires a new version of the data dictionary.

The new Version is 20150312 and is available from the TMC Website. These changes are effective April 12, 2015. As before in order to facilitate reporting of updated PC-11 Matrix test information without delay, this change has already been implemented by the TMC and the TMC is able to receive data transmissions for the new version.
