Piston Crown Labels

- **Piston Serial Number = S-XXXX #YYYA (e.g. S-4941 #322A)**
 - S = Site of manufacture
 - XXXX = Production Batch (successive numbers will be used for orders over 999 parts)
 - YYY = Number in Batch (up to 999)
 - A = used if order exceeds 999 parts. Letter corresponds to specific Production Batch (e.g. A corresponds to 4941)
- **Supplier Date Code = AABBB FM (e.g. 20203 FM)**
 - AA = Year of machining (e.g. 20 = 2020)
 - BBB = Day of machining (e.g. 203 = 203 day of the year)
