REPORT PACKET REVISION NOTICE: IIIGA-20080616

VERSION: 20080616

EFFECTIVE DATE: July 1, 2008

DATE: June 19, 2008

TO: Sequence III Surveillance Panel

FROM: Richard E. Grundza

At the May 6, 2008 Sequence III Surveillance Panel Meeting, the panel agreed to remove the previous stand reference information from Form 4. Also, since the IIIGA procedure does not allow for the application of Multiple Test Acceptance Criteria (MTAC), Form 10 has been modified to remove the check box and fields pertaining to MTAC. Version 20080616 addresses this change and is available from the TMC Website. These changes are effective July 1, 2008. Please note that this version of the report forms supersedes the previous version, 20080520, which will not be implemented.
