MEMORANDUM: 05-008
DATE: February 25, 2005
TO: VIB Surveillance Panel
FROM: Richard E. Grundza
SUBJECT: Approval of BC-6

A recent Motion for General Consent, issued on February 9, 2005 and closing on February 23, 2005 had no negative comments regarding the approval of BC, Batch 6. As a result, BC Batch 6 (BC-6) is approved for usage in Sequence VIB testing, effective February 24, 2005.
