REPORT PACKET REVISION NOTICE: VIBSJ-20020410

VERSION: 20020410

EFFECTIVE DATE: May 24, 2002

DATE: April 25, 2002

TO: Sequence VIB Surveillance Panel

FROM: Richard E. Grundza

Recently, an error was noted in the report forms and data dictionary. The field, BCBEDTE appears on Form 4, but was omitted from the data dictionary. While beta testing these changes, it was suggested that Total Oil consumption be removed from Form 4 and that Blowby be noted as not required on Form 7. These changes have been made. Version 20020410 is available from the TMC Website. These changes are effective May 24, 2002.
