SEQUENCE VIII INFORMATION LETTER NO. 99-1

April 16, 1999

ASTM consensus has not been obtained on this information letter. An appropriate ASTM ballot will be issued in order to achieve such consensus.

TO: Sequence VIII Mailing List
SUBJECT: Sequence VIII Test Procedure

This Information Letter implements action items approved by the Sequence VIII Surveillance Panel. This Information Letter addresses specific parts and procedures pertaining to quality, consistency, performance, and accountability of test parts as part of the ongoing effort by the panel to ensure continual process improvement of the Sequence VIII test.

Sequence VIII Test Procedure

Attached is Draft 3.1 of the Sequence VIII test procedure, which was recently approved by the Sequence VIII Surveillance Panel as well as the Passenger Car Engine Oil Classification Panel. It incorporates any editorial changes recommended by the Surveillance Panel at the November 18, 1998 meeting of the panel.

Brian Koehler
Chairman
L-38 Surveillance Panel
