Review of Agenda

The meeting agenda is attached.

Review of Membership

Larry Hamilton is retiring from Lubrizol. Matt Umerley will be taking over all L-42 duties.

Rob Banas will be the voting member for Exxon Mobil. Percy will remain on the distribution list.

Motion by T. Gottwald, second by D. Smith, for Eric Donovan (Afton) to become the Surveillance Panel Chair, effective at the end of this meeting. Unanimous approval, no abstentions.

Approval of Meeting Minutes

Meeting minutes for approval:

- "20150812_SP" → Aug. 12, 2015 – Warrendale, PA

Motion by R. Warden, second by D. Smith, to approve meeting minutes as presented.

Unanimous approval, no abstentions.

In the interest of time the group decided it best to focus on possible parallel paths:

- Finding a way to run current hardware in an electric stand
- Finding new hardware to run on the fired stand

In the end, all parties want to find a solution that reduces the overall size of the stand and hardware, to ideally merge both VALIDATED paths into an all-electric bench style test.

Regular meetings will be set up at a later date to continue discussion with the Task Force.

New/Open Issues

None.

Adjournment

Motion by M. Umerley, second by R. Warden. All in favor.

Respectfully submitted,
