Voting Members in **BOLD**

1.0 Membership Review

Updated membership for Andrew Smith and Camden Vander Wal

2.0 Meeting minutes Approval

— February 12th, 2025, ASTM Meeting #216

Motion #1 → Carowick 1st /2nd Muransky approve the meeting minutes from the February 12th, 2025 , ASTM Meeting. Motion passed unanimously, 14-0-1 (Yes-No-Abstain).

3.0 Action Item Review

Previous Action Items:

- Nick to work with AAM on sourcing lead gears from AAM.
 - Working with Sherry from AAM to get these made.
- Nick to distribute unleaded gears to all the labs
 - Waiting on a few more

4.0 Flow Meter replacement discussion

- A possible replacement for the flow meter was brought to the panel’s attention, a 50 SCCM Flow Controller manufactured by Alicat Scientific
- Discussion around what procedural language would need to be changed to allow this was discussed at length. The result of the discussion was the general consensus that we would like to open up the procedure to allow for any flow controller capable of meeting the flow measurement requirements to be permissible
- A follow up meeting was deemed necessary to flush out the language and that action item fell with Nick Schaup

5.0 Carbon Varnish and Sludge rating rounding

- This was deemed not an issue for the time being.

7.0 Old Business

8.0 New Business

9.0 Adjourn

Motion #3 → Lange 1st /2nd Mueller to adjourn. Motion passed unanimously, 14-0-1 (Yes-No-Abstain).

Respectfully submitted,

Nicholas Schaup
L-60-1 Surveillance Panel Chairman
