9.1.4.1 Report reference oil test results to the TMC within five days of test completion.

9.1.4.2 Report only the reference oil results to the TMC. Do not include any non-reference test data. Complete all of the required blank fields on the forms. Round test results according to Practice E 29.

9.1.4.3 For electronic transfer of test results, use the ASTM Data Communications Committee Test Report Transmission Model (see Section 2 - Flat File Transmission Format) available from the ASTM TMC.
